

GOES IN FOR WINNING SCORE — Senior Quarterback Paul Reynolds (41) keeps the ball on the option play and scores the winning six points for the Pipers in their 13-7 win over the Stamford Bulldogs. The two-yard carry climaxed a 57-yard fourth quarter drive by the Pipers that took 13 plays. The Pipers fought off a Bulldog scoring threat late in the fourth period to open the season with a victory. The Pipers will host the Wylie Bulldogs here Friday night in Piper Stadium. NEWS AND VIEWS . . .

And What Have You

By BOB CRAIG

If Hamlin football fans were looking for excitement and suspense in their football this fall they should have gotten their money's worth Friday night in that cliff-hanger with Stamford.

In spite of their slow start, the Pipers were impressive in their win over a strong Stamford team. This was especially true after they got that needed spark from the recovered fumble in the third period.

Coach Bill Grissom and his assistants still have a number of areas that need work but this is to be expected after only one game. The potential is there for a good strong team and what they need most is experience. This is especially true of both the offensive and defensive lines. Very few of these youngsters have any varsity experience and in several cases those with varsity experience are playing in new positions this year.

All of this will take a little time and that is what these early nonconference games are all about.

Mrs. Johnny Waldrop, who is in charge of the poster contest for the United Way Campaign, called this week and requested that we run a list of the agencies that will benefit from this drive. She said that the youngsters need this information to help them in making their posters.

So, for the benefit of all you kids making posters (and also for the rest of you who will soon be called upon to support this campaign) here is the list:

Arthritis Foundation, Cystic Fibrosis, Birth Defects, West Texas Rehabilitation Center, Cancer Research, Salvation Army, Heart Research, Summer Recreation Program, Summer Baseball, Hamlin Child Care Center, Boy Scouts, Girl Scouts, Local Scouting, and Hamlin Stock

The total budget and goal of this year's campaign is \$14,000 which is about the same amount as was raised in last year's drive.

Speedy Nieman wrote the following in a recent issue of The Hereford Brand and since it fits in with the whole idea of the United Way Campaign we are passing it along:

Some years ago, a psychologist made up a story. The way people reacted to the story was supposed to give clues to their personal adjustment and maturity. The story began:

A man was permitted to visit both Heaven and Hell temporarily, to observe them. In Hell, he found a

Pipers to Host Wylie Bulldogs Friday At 8

Hamlin fans will get their first look at the Wylie Bulldogs here Friday night in the second non-conference game for both teams. Wylie will be playing in Class AA this year for the first time and are in Hamlin's old district, 6-AA.

Both teams opened with wins last Friday night. While the Pipers were coming from behind to defeat the Stamford Bulldogs, 13-7, the Wylie Bulldogs were also coming from behind to defeat the Jim Ned Indians, 24-15.

Coach Bill Grissom, commenting after his team's second half rally to down the Bulldogs, said it looked like two different teams played the two halfs. "The fumbled punt seemed to give us the offensive spark that we needed and it was an all together different ballgame after that," he said.

Hamlin, who will be playing in District 7-A for the first time this year, was joined by Munday, Aspermont, Haskell, and Crowell in winning their opening games. Munday defeated Seymour, 21-6; Aspermont defeated

Rule, 9-6; Haskell won over Anson, 20-13; and Crowell defeated Quanah, 33-6. In the losing column were Rotan, who lost to Spur, 34-6; and Paducah, who lost to Childress, 44-8.

This Friday it will be Rotan at Roscoe, Motley County at Paducah, Munday at Rochester, Knox City at Rule, and Crowell at Seymour. Both Aspermont and Haskell are open.

RAINFALL

Rainfall recored Tuesday and Wednesday in Hamlin was .53, according to Bill Rountree, weather observer here.

Recorded at 5 p.m. Tuesday was .10. From that time until 9 a.m. Wednesday .43 was measured, he said.

The Wylie Bulldogs will be running the Houston Veer on offense and will run a split-six defense. Leading the Bulldog attack will be Senior Quarterback Dan Conder, who is 6'1" and weighs 170 pounds The top running back will be Stan Kelley who is 6', 186 pounds, and has good speed and is rated as a tough running back. Others in the backfield will be Cory Tucker, a 5'5" senior at 144 pounds, and Gene Isenburg, a 5'9" senior at 142 pounds.

At split end will be Lance Wolfe, 5'11" sophomore at 190 pounds; at the other end will be Tommy Casey, 5'8" junior at 145 pounds; at tackles will be Tom Neberry, 6'3" senior at 195 pounds, and Tony Deefer, 6'1" sophomore at 212 pounds; at guards will be Trev Stoneham, 5'10" junior

at 162 pounds, and Terry Tinen, 5'7" junior at 165 pounds; at center will be Lee Allen, 5'11" sophomore at 175 pounds.

WOULD INCREASE LOCAL RATES—

Southwestern Bell Asks Utility Commission for Rate Increase

Southwestern Bell
Telephone Company last
Wednesday filed with the
Public Utility Commission a
combined request for an
increase in telephone rates in
the state that would produce
\$298.3 million in additional
annual net operating
revenues and expense

savings.

Under the proposal, the company plans to divide all 488 cities it serves into ten rate groups according to the local calling area in each city. Under the rate proposal by the company the rate charged for a one party telephone would go from \$7.25 per month in group one to \$11.50 per month in group 10.

Fee is \$6.00. Late registrations for the Hamlin would be in group above courses will be actwo and the party rate would cepted, according to Carlton be increased from the present Taylor, Community \$6.50 per month to \$7.40. The **Education Director. Persons** one party business phone rate who have not registered may would increase from \$14.50 to do so by paying their fee at \$17.80 and two party residence would go from \$5.15 the first class meeting.

Bell to \$5.35 per month. Residence extensions would increase from \$1.00 each to \$1.50 and business extensions would increase from \$1.50 to \$2.25.

The action was taken on the

first day the commission had regulatory authority over telephone rates in Texas. Until now the company has had to seek rate increases from the individual cities.

The request the company

made to the commission also contained these major points:

—An increase in local

—An increase in local monthly rates for business and residential customers in 488 cities served by the company.

—An increase in long distance rates for calls within the state.

—An increase in coin telephone rates to 20 cents across the state.

-An increase in one-time service connection, moves and change charges.

—A uniform charge thoughout the state for calls to directory assistance. This would be a 20 cent charge on each request for directory assistance after the first three each month.

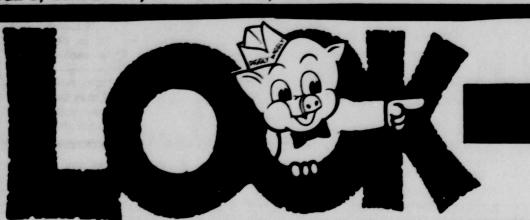

Under the requested rate increase the maximum charge for installing one residential telephone would be \$37, while the maximum charge for a single business telephone installation would be \$57.

Under the provisions of the law which established the Public Utility Commission, the new schedule of rates could go into effect Oct. 7 unless suspended by the regulatory commission. Such suspension is expected. The commission, in that case, will schedule a hearing to consider the company's request.

A number of larger cities, including Abilene, have indicated that they will protest the proposed rate increase.

CLEAN UP PROJECT — A brush and mesquite removal project was launced this past week by the City of Hamlin along the south side of the Stamford Highway. The land clearing project is part of the Waste Water Treatment Project and is on land purchased by the city for the project.

The cookie cake made by Jerry Ferguson was a real hit at the Booster Club ice cream Add: supper and several have requested the recipe.

The chocolate covered peanuts were tried at our house Saturday and they are the more like the kind that I liked while growing up than I have found. Our daughter Bring to boil: brought the recipe from Fort Worth. The peanut butter chips make the chocolate coating creamy and the paraffin keeps it from being messy. There is no hint of

paraffin taste, however. Just a suggestion—save the recipe until Christmas. It is quick and easy and will be easy to prepare during the rush season.

FIFTY YEARS AGO (September 10, 1926)

When the Phillips Petroleum company's well on the Joe Winters farm eight miles northwest of Merkel, came in Tuesday morning about 10 o'clock, sending oil over the crownblock and spraying the earth for two hundred yards around the derrick, excitement jumped at once and hundreds of automobiles loaded with people were at the well early this afternoon

Jones County has a real gusher. This is no BULL, by any means. It is a real oil well. Many Hamlin people have gone over to see the well. They all say that the trees Wednesday morning four hundred yards north of the well were dripping oil.

B. B. Colwell is making a larger brick structure than was at first thought. The building is going up two stories. In the ground floor will be located Mr. Colwell's bakery display and bakery shop. In the second story will be his living quarters. And there will be rooms to spare. All this is being completed with the best of material and most modern equipment.

B. S. Ferguson has just completed the adornment of his picture house, in a style never yet equaled in Hamlin. The brass frames and other rich accessories combine to make a very attractive place. A bunch of fellows tried to buy Ferguson out a few weeks ago, a big check was put up as a forfeit but they failed to measure up and from the way B. S. has dolled up we believe he is glad to stay in Hamlin. In fact, why should he want to move from one of the best towns in Texas?

After discovering eleven girls were to celebrate with her, the honoree led the way to the dining table, which was artistically decorated with pink rosebuds in crystal vases, and centered with a large birthday cake, topped with sixteen candles.

When the guests had found their places, several beautiful gifts were presented to Louise after which a four course luneheon was served. Much merriment was enjoyed as the cake was cut, revealing to each girl a vision of the luck which awaited her in the future. Those enjoying the lovely hospitality were: Misses Geneva Owen, Gladys Cassle, Marie Pope, Louise Ferguson, Juanita McClaren, Margaret Adkins, Anna Jo Wilkerson, Elva Greenway, Mildred Morgan, Lua Bernice and Pauline Patterson of Rotan.

At a meeting Tuesday, the Senior class elected the remainder of their officers. Robert Moore, who was elected President last May, presided over the meeting. Elected as vice president was Larry McCoy. Pam Holtz is the class reporter. June Hill and Geneva Ward will carry much responsibility as they serve as treasurer and secretary, respectively.

Writing the 1966-67 Piper Patter will be Helen Moore, sr., Tommy Oliver, jr., and Beth Craig, soph. In the past three senior girls have written this column, but to add variety, a senior, junior and sophomore were elected.

banquet table, laden with delicious and wholesome food. But all the people sitting at the table were gaunt, starving and unhappy. The reason was evident at once; each person had a three-foot-long fork attached to each arm. No one could get food to his mouth with the long utensils, so all were starving.

On his visit to Heaven, the observer found a similar table. These people, too, had long forks attached to their arms, but they all were healthy, well fed and happy.

The psychologist asked, "How do you account for this difference?"

Try to answer it your self. See how your friends would answer it. In your answers there might be some indications about your attitude toward life and humanity.

The correct explanation, of course, is: In Heaven, they were feeding each other.

SEASONS CHANGE

For a time leaves are green, then in early fall they become brilliant with many colors. Finally they turn brown and fall from the trees, leaving them drab and lonely looking.

God never changes, he is an ever present help.

"For I am the Lord, I change not" Attend church and learn more of God's wonderful and never changing love.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Eighth Grade, JV's to Host **Haskell Tonight**

The Hamlin Eighth grade and Junior Varsity teams will host Haskell here tonight (Thursday) with the eighth grade game starting at 6 and the JV game starting at 7:30. It will be the opener for the eighth grade and the second game for the JV's.

The Hamlin JV's defeated the Stamford JV's in Stamford last Thursday, 20-0 with all of the scoring coming in the final period.

Odis Willis led the scoring with eight points, with Benny Samuel and Keith Alexander each scoring six points and Jackie Cork picking up two points.

Todd Marshall, quarterbacking the JV's, connected 6 of 9 passes for 130 yards with Frank Lane catching four for 85 yards, Lynn Davis one for 20 yards and Tim Bollier one for 15 vards.

Marvin Williams recovered two fumbles for the JV's and Lane and Tommy Allen each intercepted a pass. Williams was rated the top offensive lineman and Mitch Wilson the top defensive lineman. Offensive back award went to Willis and the defensive back award went to Lane.

576-3671 Is **EMS Number** For Hamlin

The telephone number to call in the event of any kind of medical emergency in Hamlin is 576-3671.

This number activates the **Emergency Medical Services** (EMS) system serving Hamlin. Besides alerting ambulance and hospital emergency department staff, the EMS system has direct access to fire and law enforcement personnel if needed.

One phone call from a citizen in trouble or who is reporting a critical injury or illness insures that help is on the way. And help includes properly equipped ambulances staffed by trained emergency personnel, alerted hospital statis and physicians and anyone else needed to assist.

EMS is a coordinated effort to provide for the safety, wellbeing and care of individuals in Hamlin.

Citizens are asked to write the EMS telephone number down and keep it someplace convenient to the telephone.

FFA Members Give Program For Rotary Club

Mark Carter and Vance Lakey, Hamlin FFA members, presented a program to the Hamlin Rotary Club Sept. 1. They gave a slide presentation on "Food for America," a program sponsored by the National FFA Foundation.

Under the program, FFA members teach elementary students about agriculture. The program began in 1975 as a result of "Thrust '75." It is one of the fastest growing programs sponsored by the FFA. This is the third year for the Hamlin FFA Chapter ot be involved in the program, according to Milburn Wink, advisor.

PUBLIC NOTICE

SUMMARY OF PROPOSED

CONSTITUTIONAL AMENDMENTS **GENERAL ELECTION NOV. 2, 1976**

NUMBER ONE ON THE BALLOT (S.J.R. 49)

Repealing Sections 49-d and 49-d-1 of Article III of the Texas Constitution, S.J.R. 49 amends Section 49-c of Article III of the Texas Constitution to provide for and authorize an additional \$400 million in Texas water development bonds that may be issued on approval of two-thirds of the members of each house of the Legislature for such water development purposes as the Legislature may prescribe.

The amendment contains a specific prohibition against the use of state funds for the development of water resources from the Mississippi River and also requires that before any single water development project may be undertaken requiring the expenditure of more than \$35 million in bond proceeds, it must be approved by resolution of the Legislature.

The amendment removes the constitutional requirement that certain revenues must be used to retire water development and water quality enhancement bonds and removes the constitutional interest

The wording of the proposed amendment as it will appear on the ballot is as follows:

"The constitutional amendment authorizing an increase of \$400 million in the amount of Texas Water Development Bonds that may be issued on approval of two-thirds of the legislature; amending and consolidating provisions of Sections 49-c, 49-d and 49-d-1 of Article III of the Texas Constitution; and repealing Sections 49-d and 49-d-1 of Article III of the Texas Constitution.'

NUMBER TWO ON THE BALLOT (H.J.R. 99)

H.J.R. 99 proposes an amendment to the Texas Constitution to increase from \$100 million to \$200 million the aggregate principle amount of Texas water development bonds which may be issued and outstanding by the Texas Water Development Board to provide grants and loans for water quality enhancement purposes as established by the Legislature.

The wording of the proposed amendment as it will appear on the ballot is as follows:

"A constitutional amendment to increase from \$100 million to \$200 million the amount of Texas Water Development Bonds that may be issued for water quality enhancement purposes.'

Stamford

The Pipers had to come from behind here Friday evening to defeat their archrivals, the Stamford Bulldogs, in the season opener for both teams. After trailing 7-0 at half time, the Pipers scored in both the third and fourth periods to win 13-7.

Offensively, the first half belonged to Stamford as the Pipers could muster only three first downs. It was a long 24 minutes for the Piper defensive unit as they stayed on the field with their backs to the wall most of the first half. The superb punting of sophomore Vance Lakey, who punted four times in the first half for a 39.5 average, kept the Pipers out of even

point lead. With time running out in the first half the Pipers picked up two first downs on the passing of Paul Reynolds to Charles Brown and the running of Thompson. But with just seconds left the Bulldog defense picked off a Reynolds pass to end the first

Mack Lee returned the second half kickoff back to his own 32, but after three plays the Pipers were a yard short of a first down and punted. The Bulldogs picked up a first down before the Piper defense stiffened and forced them to punt.

Taking over on their own 17, the Pipers could net only one yard in three plays and punted again with Rory Mays fumbling the catch and Gonzalez coming up with the ball at the Stamford 48.

Thompson carried for nine yards on first down but was dropped for a vard loss on second down. Facing a third and two situation, Fullback Stanley Jones ripped off seven yards to the Stamford 33. Jones carried for seven more yards and then Thompson broke loose around his right end for 27 yards and a touchdown. Jones kicked the point after to tie the game with 2:28 left

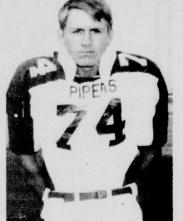

in the third period. Following the kickoff Stamford fumbled the ball on second down with the Pipers taking over at the Stamford 18. Jones was held for no gain, Reynolds carried for four and then Thompson was dropped for a five-yard loss. Reynolds completed a pass to Brown on fourth down for seven yards, but this was short of the first and Stamford took over at their 12.

Stamford picked up two first downs before being forced to punt. Their punt was good for only 23 yards and the Pipers took over at the Hamlin 43.

Thompson carried for five, Jones four and then Reynolds picked up a first down on a two-yard carry to the Stamford 46. Thompson carried for four yards and then three yards and then Reynolds connected with Brown again for nine yards and a first down at the 30. Thompson gained 13 yards for another first down at the 17 and then Reynolds picked up three more yards before calling on Thompson for 11 yards and another first down

at the Stamford three. Jones carried twice for a total of two yards before Reynolds missed the snap for a yard loss. Facing fourth and two, Reynolds ran the option into the endzone to put the Pipers out in front, 13-7. Failing to get a good snap on the extra point try, Reynolds tried to pass for the two points only to have Stamford intercept the

Stamford returned the kickoff to their own 33 and picked up two first downs and then Hamlin was stuck with a 15-yard penalty to move the ball to the Hamlin 21.

With time running out, the Bulldogs took to the air with the first pass going incomplete and on the second yards for holding. Back on the 36 with 42 seconds left. Mays was dropped for a three-yard loss and then Tabor's pass went incomplete. Facing fourth and 28 with 37 seconds left, Tabor connected with Bolin who made it to the Hamlin 14 before being stopped. This was three yards short of the first and Hamlin took over.

The Pipers ran out the clock to take their season opener, 13-7.

Thompson was the top ground gainer of the night with 116 yards in 19 carries for a 6.1 average. Jones carred 11 times for 31 yards for a 2.8 average. High for Stamford was Mays with 15 carried for 63 yards, a 4.2 average.
